Dear business partner,

Thank you for your inquiry regarding compliance with Regulation EU No. 833/2014, Art. 3g in conjunction with Annex XVII incl. Amendment Regulation EU 2023/1214.

Murrelektronik shares your efforts to ensure compliance with all international legislation, including but not limited to compliance with Regulation EU No. 833/2014, Art. 3g in conjunction with Annex XVII incl. Amendment Regulation EU 2023/1214.

We are currently not aware that any of the products we sell contain iron or steel from Russia. We will continue to monitor the products distributed by Murrelektronik to ensure compliance with the law.

Furthermore, the obligation to comply with all export control regulations is part of our code of conduct for suppliers.

Best regards

Murrelektronik GmbH
